Congratulate Your Organization on Its Best Places to Work in IT Honor

COMPUTERWORLD Best Places to Work in IT 2025

Now celebrating its 31st year, this annual awards program highlights IT departments that provide exceptional benefits, competitive compensation, and an engaging work environment for employees. The list of top organizations will be featured in a special report on Computerworld.com in December 2024. The Best Places to Work in IT for 2025 will be categorized by company size: Large (5,000+ U.S. employees), Midsize (1,001 to 4,999 U.S. employees), and Small (1,000 or fewer U.S. employees).

Take this opportunity to congratulate your organization for this recognition, attract new talent and retain valued employees.
